THEATRE SEATS

Rehabilitation plans for the Playhouse include the installation of new theatre seats for your comfort.

The balcony has been, in the spring of 1992, renovated by raising the levels of seats for better sighting, by closing one of the original stairs, and by installing 52 new seats. There remains the need to install 54 additional new seats in the balcony plus 200 seats in the orchestra section.

A contribution of \$500 will purchase one seat, including the name of the donor on an arm of the seat.

Pick up a flier in the lobby and order your chair today.
